[Announcer]: Ed Rendell says he turned around Philadelphia schools. What he doesn't tell you is

he left the schools in Philadelphia in such bad shape that the state of Pennsylvania

has just been forced to take them over. Under Rendell, Philadelphia's

schoolchildren scored in the bottom 1% of the state.

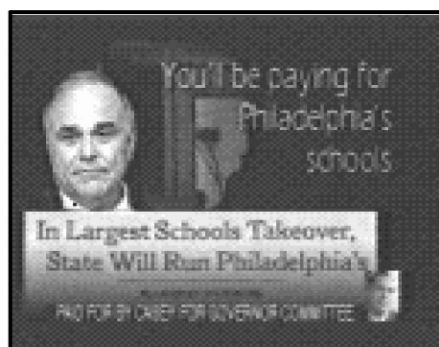

50% failed basic math and reading. Rendell left his schools with \$1.3 billion

in debt. Now Rendell's failure will cost

you because today all of Pennsylvania's taxpayers will have to pay for Philadelphia's

schools.
